

BORIE-MANOUX

Château Beau-Site

SAINT - ESTEPHE

2018

Beau-Site means Beautiful Site: Château Beau-Site is Château Calon-Ségur's neighbour, situated on one of the Medoc's highest point overlooking the Gironde Estuary. Its 18th century underground cellar is one of the oldest in Medoc and presents the perfect maturing conditions for a wine that is vinified with the same care and technique as a Grand Cru Classé. Beau-Site's wine is full of power and temperament, a typical Saint-Estèphe with enough ripe tannins to allow stocking this wine for some years.
