Croix de Moussas

MEDOC

2022

Croix de Moussas is in reference to the path of the Cross of Moussas located near the winemaking properties of the Castéja family in the commune of Saint-Sauveur in the Medoc. Médoc means "middle land" because it is located between the Atlantic Ocean and the Gironde estuary. The distinguishing feature of the Medocaine vineyard is the succession of small gravel hills that are called "croups" (a mixture of pebbles, sands and gravel) dominating the estuary.
